Notice for Medical Assisting Students Enrolled in the 40-week, 36.0 Semester Credit Program

*** This notification pertains only to those students who enrolled on or before March 11, 2024, in the 40 week, 36.0 Semester credit online Medical Assisting program.***

Effective June 14, 2024

Dear Medical Assisting Student

This notice is to inform students that we have ceased enrollments in the 40 week, 36.0 semester credit version of the Medical Assisting Program. The program has recently been redeveloped and the college is now only offering a medical assisting program in the new version that is 48 weeks in length and 37.0 semester credits. Rest assured, we are committed to your success and all resources and support will continue to be available to you throughout the duration of your journey. You will still be able to complete your current program and sit for certification upon successful completion of program requirements.

If you have additional questions or concerns related to this decision, please do not hesitate to contact me at mstewart@chcp.edu
